SIR:

A patent application related to the above identified application was filed on June 10, 2004 under the PCT Treaty under the docket number PCT/FR2004/001457. English translation of the originally filed PCT application PCT/FR2004/001457 is enclosed with this filing.

It is respectfully requested that the present application be treated as an application filed under the Section 35 U.S.C. § 371 for transferring a PCT application PCT/FR2004/001457, naming the United States, into the national phase and that the present application be granted any and all benefits and in particular those benefits relating to a priority recognition of prior filings under jurisdiction of treaty members and available under the Patent Cooperation Treaty (Washington Treaty), the Paris Convention
